

Tilsley House News

May 2022

Here at Tilsley House we thought we would start a regular newsletter to let you know what we have been up to, and any news which you may find interesting.

We would welcome any contributions from yourselves or stories you wish to share. We will use this as a tool to let you know about exciting things that are coming up, happened or just general news from within the home.

Covid 19 Update

We are now really happy to accommodate some level of normality again in the home.

Current guidelines state that when visiting your loved ones, it is now not mandatory to take a Lateral Flow test but we ask that you respect all of our residents whilst visiting and where possible to complete a test at home and show results on arrival at the home and upload to the NHS App.

You need to sign a disclaimer on arrival and sign in and out of the building. PPE (face mask (our masks and not the fabric ones), aprons and gloves) is still to be worn please.

Communal areas, unfortunately, are still a no-go zone but we are happy to work with individuals and risk -assess where needed to make your visit as pleasant as it can be.

We appreciate your support in this matter and look forward to seeing you again in the home.

Director's corner

Dear all,

I am delighted to welcome in the warmer weather. As Covid restrictions are being eased, I hope to meet more of our relatives at Tilsley House. Nevertheless, I urge you to follow our Covid rules and recommendations so we can all stay as safe as possible.

I would like to thank Kathy - our new Finance and Administration Manager for this brilliant initiative of sending our news to you. I would also like to take this opportunity to thank all of you for your patience and support over the past 2 years.

Finally let us pay tribute to the enormous effort and commitment of all the Tilsley staff, under Jaime's leadership, to look after all our residents.

I am always available to listen to your comments and suggestions.

Kindest regards,

Rizwan Govindji, Director
