Our Care Philosophy...

Solomon Care presents to you; Tilsley House. A delightful residential care home for up to 32 residents based in Weston-super-Mare. All rooms are single and many are en-suite. The period building is set in large, beautiful gardens and overlooks Clarence Park – a few minutes walk from the beach front.

We provide excellent care in a home that has a calm and happy atmosphere. Some of our residents have been with us for over 20 years and we continually receive very complimentary comments from the families of loved ones who stay with us.

Among our staff are some who have been with us for over 20 years. The wellbeing of our residents is at the heart of all that we stand for at Tilsley House.

Aims of our Service
